PRICE-LIST of PEONIES and IRISES

1923 list

Grown by E. M. Buechly, Greenville, Ohio

We feel very grateful for the liberal patronage given us in the past, and hope to merit your favors in the future. Many of our friends may have our descriptive catalogue of last season on file, therefore we have decided to issue only a brief price-list at this time and those who do not have the descriptive catalogue will be supplied on request. And later, we hope to issue a new catalogue to be placed on file for reference. With this end in view we ask each one who receives self-addressed card to kindly fill with the information desired in order to revise our mailing list that it contain names of interested parties only.

A ROW OF PRIZE WINNING FESTIVA MAXIMA

standard divisions of from three to five eyes, in most cases from dividing two to three year old plants. We do not recommend the so-called one eye divisions, but to meet a demand for such, we will supply of any peonies selling for \$3.00 or more each, at one-half the list price for standard divisions.

Orders should be sent as early as possible, as stock of rarest varieties is limited, and shipments are made in the order received. Please advise whether shipments are to be made by express or parcel post.

GUARANTEE

We guarantee safe arrival of plants, and that they are healthy and true to name, and hold ourselves in readiness to replace two for one any that prove otherwise.

Prices listed herein cancel all previous quotations. Size of plants, at the prices quoted, are for good, strong
